

REMEMBERING RONALD REAGAN

Earlier this month, I was honored to give the keynote speech at the Ronald Reagan Annual Dinner in northern Virginia.

I told stories about the Gipper, reminisced about my experiences with him, and talked about what it was like to help get rid of the Soviet Union. Then we discussed the consequences of America's electing his moral and political opposite.

The speech was recorded, sans the intro, and I'd like to share it with you. I hope you enjoy it. God Bless Ronald Reagan.
